POLISH COAL SUPPLIES EAST GERMAN POWER

SACHSEN GETS BLACK COAL -- Sozialistische Volkszeitung, No 9, 10 Aug 49

In July, 33,640 tons of black coal were allotted to the gasworks for Land Sachsen. Poland has delivered nearly 300,000 tons of black coal since the beginning of 1949. As a result, the requirements of the Sachsen gasworks have been met in full, and it has been possible to build up a reserve and to fulfill the July production quota 129 percent.

GASWORKS GET COAL FROM POLAND -- Sozialistische Volkszeitung, No 20,  
23 Aug 49

The 26 gasworks of Sachsen-Anhalt have received approximately 108,000 tons of black coal from Poland since the beginning of 1949.

REFORMS ELECTRIC POWER-SYSTEM ADMINISTRATION -- Sozialistische Volkszeitung,  
No 15, 17 Aug 49

To facilitate the annual increase of 1.2 billion kilowatt-hours necessary for the fulfillment of the plan for the people-owned economy, it was decided to set up a centralized administration for all public power plants.

Up to the middle of the current year, the electric power industry was the most disunited branch of Eastern Germany's economic system. To eliminate the confusion concerning rates in the Soviet Zone, the various distributing plants will also be brought under the zonal administration.

POWER DAM UNDER CONSTRUCTION -- Sozialistische Volkszeitung, No 60, 8 Oct 49

More than 3,000 men are engaged in the construction of the Sosa dam, which is to be completed in 1951. This installation will supply water and electric power to the Aue and Zwickau districts.
